## Monthly Newsletter – June 2008

Hi to everyone who reads this. Summer is on its way - honest !!!!

Steve has now been with us for a month and is settling in really well. Steve shared some of his heart at the family service at the end of May, which was greatly encouraging.

We had a great morning just gone up at the school with everyone up there. It was great just to be able to get the message across to the children and young people that Church is about the people and you can have fun at Church.

The summer fun weeks are not far away now and if you haven't booked up yet then please book before the end of the month.
